**ORDER**

This matter concerns Petitioner's application for a Michigan insurance producer license. The license was not issued and Petitioner appealed that decision by the staff of the Office of Financial and Insurance Regulation ("OFIR"). An Order Referring Complaint for Hearing was issued in this matter on September 18, 2008. By letter of November 11, 2008, Petitioner requested that the matter be dismissed or, alternatively, that the Commissioner permit the withdrawal of Petitioner's application. A prehearing conference was convened on December 15, 2008. In an order issued on that date the administrative law judge noted that the OFIR staff requested the matter be dismissed. The ALJ issued an order dismissing without prejudice.

This matter is now before the Commissioner for final resolution. Having considered the materials submitted by the parties, the Commissioner finds that this matter would be best

resolved by permitting Petitioner Jacobs' license request to be withdrawn pursuant to his November 11, 2008 request. The license request having been withdrawn, the matter is dismissed.
